

5 GOOD PRACTICE TIPS

1. Set Up Right Away

Take your instrument out and get your sheet music ready!

2. Practice a Little, But Often

Practice 10 minutes at a time, but lots of times!

3. Pick One Thing at a Time

Practice one thing at a time — not everything!

4. Make a Practice Habit

Find a time to practice each week!

5. Listen Like a Detective

Record yourself and listen back!
